A black and white manga-style illustration. A character with a large, ornate headpiece featuring circular motifs and a wide, toothy grin is shown in a dynamic pose. The character is holding a large, round, patterned object, possibly a drum or a shield. The background is filled with jagged, dynamic lines and a large, stylized sound effect 'カッ' (Ka) at the top, suggesting a powerful action or impact. The character's expression is one of intense focus or aggression. The overall style is reminiscent of classic Japanese manga art.
